PUBLIC NOTICE

Next Generation Academy Notice of Intent to Apply for a 21st Century Community Learning Centers Grant

Next Generation Academy announces its intent to submit an application to the North Carolina Department of Public Instruction for a 2027-2030 (Cohort 19) 21st Century Community Learning Centers (21st CCLC) grant. If funded, the grant would support after school and summer learning programs for eligible K-8 students at Next Generation Academy in Greensboro, Guilford County, and opportunities for their families.

The purpose of the 21st CCLC program, as described in federal law, is to provide opportunities for communities to establish or expand out-of-school-time programs that offer:

1 Academic support that helps students meet state and local performance standards;

2 Enrichment activities that reinforce and complement the school day program; and

3 Meaningful family engagement, including opportunities for literacy and related educational development.

Services funded by the grant are provided at no cost to participating students and families. Eligible private school students in the Next Generation Academy attendance area are invited to participate. Applications are due to NCDPI on November 18, 2026.

For questions, please contact Dr. Sam Misher, CEO/ Founder, Next Generation Academy, at info@nextgenerationacademy.net or (336) 271-9030
