Agenda Item	Facilitator	Notes
Data : School Goals 5-Year Planning Goals	Dr. Florance 10 min	The meeting began with a presentation of the school-wide check in Data. We were able to analyze historical trends across grades 3 -8. There was an addendum to the K-2 Math Goals using the ending goal of last year's proficiency moving the goal to 80% from 74%. The 5- Year Strategic goals data will be compiled to re-establish the goals and presented to the board. Academics, Teacher Retention, Facilities, and Parent Engagement are the domains that will be presented.

Budget	Dr. Misher 10 min	Final numbers for the Title I budget are in. Federal monies are spent between supplies, computer equipment, field trip supplements, staff, WozEd updates, eSports, other technological advances, services covered under IDEA, after school program and summer programming.
