<b>School wide goals: Literacy, Math</b>	McCray	Mr. Florence began the meeting discussing school wide goals for literacy and math. Last year, we use iready math and reading diagnostic to know where students are. This year, the school decided not to use iready. We are using affirm for math and dibles for literacy.
<b>Data: Dibles Assessments, Affirm (review overall percentage of growth per grade level)</b>	McCray	Mr. Florence discusses the importance of affirm and how it works to gather data for Math. It is a tool for assessments for the upper grades. Kindergarten will continue to use end of module assessments for testing. Dibles assess the phonics, phonemic Awareness, High-frequency words. It is administered 3 times a year. It is our school wide tool for literacy.
<b>Growth goals per grade level</b>	McCray	Mr. Florence discusses the growth goal for literacy: the baseline for students began at 33%. The goal to reach is 40% by June 2022. The growth goal for literacy: the baseline for students began at 17%. The goal to reach is 25% by June 2022. Our growth goal is realistic due to students being 1 or more grade level behind.
<b>Questions and Concerns</b>	McCray	Ideas were discussed about getting parents more involved. We came up with an idea of Lunch and learn. It's an opportunity for parents to learn and understand the report card standards and curriculum.
