Agenda Item	Facilitator	Notes
<b>Reflection</b>	Dr. Misher <b>5 min</b>	<p>Unfortunately, there will not be a Sneaker Ball for the 2025-2026 school year due to facilities not being available.</p> <p>The auxiliary annex next door will be finalized in the coming days when all paperwork is finalized and approved.</p> <p>Utilize the media sent by Dr. P. Misher via social media for advertisement for our school to increase enrollment. Our goal is about 50 students per year.</p>

		TWCS will be available March 2, 2026. An incentive will be given with 100% participation
<b>Afternoon Car Duty Safety</b>	Mr. Carter <b>10 min</b>	Mr. Carter reiterates the importance of following procedures properly during dismissal for car riders. Teachers are encouraged to help students move downward once their name is called to help alleviate the car line bottle-necking and causing a safety concern. Dr. P. Misher informs that a new speaker is coming to help names be heard at the farther end of the school building.
<b>Data Overview</b>	Graves <b>20 min</b>	Our monthly data overview will always be viewed with the lens of growth and areas of improvement.  Continuous thought regarding our data: "Where are our opportunities to make gains?" Looking at how our school Check-In scores correlate directly to our EOG scores.  There is a need for reflection with using the data to inform instruction.  DIBELS BOY for 320 (K-5) students: 28% red, 18% yellow, 33% green, 23% blue Teachers are asked to compare their individual grade level's scores for MOY to see how their students grew.
<b>Assessing Indicators : Artifacts Check</b> Leadership team login username: LTS18673 password : 7v3g	Robinson <b>20 min</b>	All teams added two-three artifacts into the Indicator folders. These artifacts will be uploaded to Indistar before the next leadership team meeting.
<b>Walkthrough Reflections</b> <b>Glows/grows</b>		Using the Walkthrough Leadership document in the SLT folder, teams should input the data. Using the data from form we will move to our 5 Step analysis:

		<ul style="list-style-type: none"> <li>● Aggregate and Identify patterns</li> <li>● Focus Areas</li> <li>● Impact</li> <li>● Set Targets</li> <li>● Impletement support and collaborative cycles.</li> </ul> <p>Teams broke out in silos to input data. Ms. Graves asks the team’s input on how impactful we believe this was; encouraging reflection, grows/glows, and improvements for next time.</p>
