Committed to Success!

Week of April 25th, 2022

Principal's Message

I hope you had a safe, restful, and relaxing Spring Break! We all needed and deserved it! Now...let's finish strong!

#Recovery #EaglesAlwaysSOAR!

- Mr. Florance, Principal

Weekly Announcements

- ❖ On Thursday, April 14th the NGA school board met and discussed the current mask policy. There was a good discussion that weighed in ideas from all sides. Input received from our families and staff was presented and considered as a part of the discussion. The board ultimately voted to make the masks "optional". Students and staff are not required to wear their masks while at school. However, we will still provide student masks for those who do not have one and desire one.
- ❖ We will have our Field Day on Friday, April 29th for our students! This is a time for fun, activity, and play for our students. Students will participate in games and activities at various stations for this event. Students without permission forms and/or health information forms on file will not be able to attend. We did send out an updated permission form before break, as there were some errors on the first correspondence. We also sent a link for parents/guardians to sign up and participate! If you did not sign up and are interested, please contact our PTSO President, Leah Brown, at ptso@nextgenerationacademy.net
- ❖ Students were asked to simply log any time spent over the break in which they were reading or doing math. The times and signatures must be present on these logs. Please have students turn these in to their teachers by no later than Tuesday, April 26th.

Updates and Reminders

- ❖ A HUGE thanks to Family Service of the Piedmont for presenting to our students and providing them with gift bags! It is an honor to have community partners that are willing to come, share, and celebrate with us!
- ❖ As we approach the end of the school year, we will be sending letters to families of students that are in danger of retention and/or those that will not be invited back to attend for next school year due to academics, attendance, or behavioral issues. Additionally, we will offer summer school for selected

students based on performance. This will be by invitation only, and will also be communicated in the coming weeks.

- ❖ Next week is Teacher/Staff Appreciation Week! Please consider some way in which you can celebrate our staff, who work tirelessly for our students! We will send out a link on Monday for those who are interested in donating gift cards to our staff!
- ❖ Our PTSSO is conducting voting for next year's executive team. A correspondence was sent to PTSSO members to nominate themselves for a specific office. If you are a member of the PTSSO and did not receive the information, please contact our PTSSO President, Leah Brown, at ptso@nextgenerationacademy.net.

At NGA we are always looking for ways to celebrate our staff and students. Please use the link '[Shout Out' Link](#) to "shout-out" your student's teacher! I will share the comments on the staff newsletters weekly to encourage them in their work with all students.
