

Eagle's View Newsletter

Committed to Success!

Week of January 26th, 2026

Principal's Message

When you have prepared and put in the work, the only thing left to do is “own the court”! Be confident and know that “you got this”!

-Dr. Daryl B. Florance

#BuildingBridges!

#EaglesAlwaysSOAR!

This Week

- ❖ We will have our school-wide spelling bee this Wednesday, January 28th!
We will make this available via zoom for viewing.
- ❖ We will have class group pictures on Tuesday, January 27th for all classes!

Updates and Reminders

- ❖ Please stay tuned to all of our communications via email, text, and news stations regarding weather updates. We are aware of the threat of inclement weather this weekend and will make decisions based on the outcomes. Our first option is to utilize our remote learning days first if it is not safe for students to attend school in person. We will let families know, and students will have access to all necessary materials.
- ❖ (Reminder) We are so pleased to announce that our school, Next Generation Academy, has received a five year renewal of our charter! This is great news and speaks to the success that we are having with our students. A huge shout out to our Founders, leadership team, teachers and staff, families, and of course, our students! Let's keep SOARing!
- ❖ (Reminder) Please be reminded of our school-wide wireless communication policy. Students are not allowed to use wireless devices. This includes but is not limited to- cell phones, earbuds/headphones, smart watches, smart glasses, and tablets. If students bring these to

school they must not be visible during instructional time, otherwise the devices will be confiscated by our staff, and a family member will be required to pick it up from the front office.

- ❖ (Reminder) As we move into the winter months, please make sure to stay connected with us regarding changes, closures, and delays. We will always strive to have remote learning days when students are not able to be in the building. We will communicate through our ConnectEd through Infinite Campus messaging system, class dojo, TV news, and social media.

At NGA we are always looking for ways to celebrate our staff and students. Please use the link ['Shout Out' Link](#) to "shout-out" your student's teacher! I will share the comments on the staff newsletters weekly to encourage them in their work with all students.
