

TITLE I POLICY

Parent and Family Engagement

NGA recognizes the value of family engagement in a child's academic success and believes children's education is an ongoing cooperative partnership between the home and the school. Parents and other family members are their children's first teachers; therefore, the continued involvement of parents and family members in the educational process is most important in fostering and improving academic achievement. School officials shall strive to support parents and provide parents and family members with meaningful opportunities to become involved in the programs offered by the NGA. The Board encourages parents and family members to participate in the design and implementation of the programs and activities to increase the effectiveness of the School's Title I program in helping students meet state and local achievement standards.

Definition of Parent and Family Engagement

For this policy, the term "parent and family engagement" means the participation of parents, guardians, and other family members in regular, two-way, and meaningful communication involving student learning and other school activities, including ensuring the following:

1. Parents and family members play an integral role in assisting their child's learning;
2. Parents and family members are encouraged to be actively involved in their child's education at school;
3. Parents are full partners in their child's education, and parents and family members are included, as appropriately, in decision making and on advisory committees to assist in the education of their child; and
4. The school utilizes activities to support parent and family engagement in the Title I programs.

Purpose and Operation of Title I Program

The Title I program is a federally supported program that offers assistance to educationally and economically disadvantaged children to help ensure they receive an equitable, high-quality, well-rounded education and meet the School's challenging academic standards. The Title I program provides instructional activities and supportive services to eligible students over and above those provided by the regular school program.

Qualified Title I schools will operate as school-wide programs or targeted assistance programs based on federal eligibility criteria. School-wide programs will provide comprehensive support to offer improved opportunities for all students to meet the School's academic standards. Targeted assistance programs will provide services to eligible students most in need of assistance in the school, as determined by objective criteria established by the CEO/Principal or designee.

Eligibility criteria may include, for example, standardized test scores, teacher judgment, and results of preschool screening and home-school surveys.

School-wide and targeted assistance programs shall be based on effective means of improving student achievement and include evidence-based strategies to support parent and family engagement.

Annual Meeting and Program Evaluation

Each year, school officials must invite parents of students participating in Title I programs to a meeting to explain parental rights, discuss the programs and activities to be provided with Title I funds, and solicit input on the Title I program and this policy. In addition, school officials must provide parents and family members a meaningful annual opportunity to evaluate the content and effectiveness of the Title I programs and the parent and family engagement policies and plans. Information collected from these proceedings will be used to revise Title I programs and parent and family engagement plans.

Parent and Family Engagement Efforts

The Board believes that the involvement of Title I parents and family members in the design and implementation of the Title I program will increase the program's effectiveness and contribute significantly to the children's success. The Title I staff, and all School personnel shall strive to conduct outreach to parents and family members and involve them in activities throughout the school year.

The CEO/Principal or designee shall ensure that this School-level parent and family engagement plan is developed, agreed upon, and annually distributed to parents and family members of participating students. In addition to the School-level parent and family engagement plan, each school participating in the Title I program shall jointly develop and annually distribute to parents and family members a school-level written parent and family engagement plan that describes the means for carrying out school-level policy, sharing responsibility for student academic achievement, building the capacity of school staff and parents for involvement, and increasing accessibility for participation of all parents and family members of children participating in Title I programs, including parents and family members who have limited English proficiency, who have disabilities, or who are migratory. School-level plans must involve parents in the planning and improvement of Title I activities. They must provide for the distribution to parents of information on expected student achievement levels and the school's academic performance.

In addition, School officials and Title I school personnel shall do the following:

1. Involve parents and family members in the joint development of the Title I program and school support and improvement plan, and the process of school review and improvement by including parents on the school advisory committee and any committees that review the Title I program;

 7. Design a parent–student–school staff compact that sets out respective responsibilities in striving to raise student achievement and explains how an effective home/school partnership will be developed and maintained;

 9. Distribute to parents information on expected student proficiency levels for their child and the school's academic performance, and provide materials and training to help parents monitor their child's progress and work with educators to improve achievement through such methods as literacy training or using technology, which may include education about the harms of copyright piracy;
